Dear CHCA Family,

As we continue to seek God's direction and guidance for the future of Cottage Hill Christian Academy, we are excited about how God has blessed our students in 2011. In a few weeks, we will welcome 2012, a year which will bring continued opportunity for our CHCA faculty to provide a solid academic foundation with a Biblical worldview so that our students will be prepared with excellence for their future life and eternity. 2012 will bring more opportunities for our students to participate in the many sports and extracurricular activities offered at CHCA, and another year for them to develop friendships that will go with them the rest of their lives. How blessed we are to have been given the opportunity to invest in future generations for the sake of the Gospel!

Now, more than ever, you may find that time spent determining the best ways to make your charitable gifts, can help you stretch your charitable dollars. Year-end giving strengthens CHCA programs and departments through funding for operations, capital needs, and special program support. Another reason to give, especially at Christmas time, is the need for tuition scholarships for our families who have lost jobs, or experienced loss due to a death or severe illness in the family. For families experiencing crisis, paying tuition can be impossible. Won't you join with me in supporting these families and helping with these needs through a gift to CHCA before the end of 2011? Won't you join with other parents, alumni, grandparents, and friends of CHCA who make regular, yearly gifts at a level that is appropriate for them? All donations are tax-deductible and your gift may be eligible for a match from employers as well.

As we celebrate God's faithfulness at the conclusion of 2011 and look with great expectation to 2012, I ask that you consider a gift of compassion for our families who are in need. If everyone would provide, even the smallest gift, we could ensure funding so that our needy CHCA families will have one less difficulty. Please consider a gift of \$25.00, \$50.00, \$100.00 or more to help, or call our development office at (251) 634-2513 to discuss how you can be a part of God's work at Cottage Hill Christian Academy.

We look forward to staying in touch with you and we covet your prayers and support as we move forward with God's vision for students at Cottage Hill Christian Academy.

In His grace,

Jim McMillan
