Church Campus Map

To keep traffic flowing smoothly, please make a right turn only from Thigpen Drive into the school parking lot for drop-off and pick-up.

Morning Drop Off

Morning Drop-off is in front of the school office. Students may also be dropped off in the shopping center parking lot in the morning. They must cross at the cross walk under the direction of the police officer on duty.

Please be considerate of others and do not park or block the drive-thru areas.

Afternoon Pick-Up

Please **pull forward** to allow others to "load and go" at dismissal time if your child is not at their dismissal area when the loading process begins.

Thank you in advance for your courteous cooperation as we strive to best serve our school families.
