## 2009 - 2010 Fundraisers

Fundraisers are always exciting for our children! They also are a creative way to bring in funds for much needed items like overhead projectors, testing materials, and teacher stipends. Here is a list of

the fundraisers that we did this year:

Sally Foster:	Over \$4000
Otis Spunkmeyer:	Over \$3000
Krispy Kreme:	Over \$1500
Night at Wings:	Over \$250

We would like to thank our CHCA Parents for supporting these fundraisers!

# **We LOVE Our Teachers!**

We are so blessed to have teachers that truly love education, and our children! Because they strive to deliver superior teaching, they need supplies to assist them with their lessons. Our students' hard work in fundraising, allowed for the PTF to award each teacher a \$150 stipend this year to purchase materials such as math games, teaching resources, bulletin board supplies, educational computer games, and classroom manipulatives. The PTF allotted additional monies from fundraisers to the technology department. They were able to purchase additional overhead projectors. With the purchase of these projectors, CHCA is getting closer to having all the technology needed for smart board programs! The library was able to purchase more Accelerated Reading tests for our children through monies from fundraising.

To give our teachers extra love, we hosted a Christmas luncheon especially for them and had Teacher Appreciation week including a Teacher Appreciation luncheon.

**Thank you, CHCA teachers and staff for your hard work and dedication this year!**

## *Summertime!*

**Summer break is almost here! Here are some ways that you can continue to help CHCA over the break:**

- \* Keep collecting Campbell's Labels for Education and Box Tops!**
- \* Do you drink Coke? If so, start collecting Coke Reward Points and donate them to CHCA! More information about this program will be sent home soon.**
- \* Be on the lookout for information on CHCA activities over the summer!**

*Have a fantastic summer!*

**Our first day of school for the 2010 - 2011 year is Tuesday, August 10th!**
